Furlough

• Praise and Prayer Report

• December 2021

**M**erry Christmas to you all! We're so excited to report on what the Lord is doing in our hearts and lives and we trust that each of you will have a wonderful Christmas and New Year.

First and foremost I want to thank you all for your prayer on our behalf. If this year has taught us anything, it's that only complete reliance on God's Word and prayer is the answer to our own personal complex and demanding needs, as well as of those to whom we minister.

I had the opportunity to go out soul-winning with my dad recently. Right at the end of our time, we met Jonathan an 18-year-old who kindly came out of his home to speak with us. He listened very intently and trusted Christ as His Saviour. His family is staunchly Catholic and he still lives with his parents. Please pray that he would take the next step of believers' baptism and that we'd be able to work with him in growth.

With all the preparation for Victory Baptist Church, it's been exciting to see how other churches have caught the vision. Please pray with me about several groups and churches that have expressed interest in coming next year to help us with canvassing, making contacts, and working on projects

as we get started. We know there are so many details that need to be covered. Please pray that the Lord would continue to give us favor as we move ahead with these plans and that people would come with a heart ready to see the world and the great need. If you'd have interest in coming next year, please feel free to get in contact with me. Our direct contact info is located here at the bottom of this letter.

We are excited to announce that we recently learned that we'll be having another boy! Thankfully, Jamie has been doing well and all the check-ups with the pregnancy have gone well. It's been interesting trying to schedule appointments in such a short time on this furlough. The Lord has brought us some wonderful doctors and others to help us along the way. Please pray for the continued health and protection of both Jamie and our son.

2021 certainly was another year of growth and learning for us. As we close out this year and look ahead to '22, I am humbled by how our Father uses you all to love and care for us. God has supplied over and above what we could ever ask or think. God has given us fruit and we trust Him that it will remain and bear yet more for His honor and glory.

May the Lord bless and keep you all during this Christmas season and give you a blessed and happy New Year.

Love,

Keith, Jamie, Lainey, Clayton, and Baby Putnam
